# SteriFeed

Caring for your baby

## Collection & Storage Range

SteriFeed has more than 30 years' experience in the supply of collection and storage bottles. With a large range of high quality products we have become the chosen supplier for hospitals worldwide.

## Sterile Disposable Bottles

- Clearly marked graduations every 5ml
- Bottles are rigid to prevent force feeding
- Smooth caps for comfortable opening and closing. SteriFeed bottles can be almost completely emptied with a syringe due to round cornered base of bottle.
- Airtight and leak resistant to ensure maximum shelf life for breast milk when stored in the refrigerator or freezer
- Sterile - Ready to use
- Available as packed in bulk or each bottle wrapped in its own tamper evident PE bag
- Standard European neck to fit all breast pumps collection sets and teats
- Suitable for freezing and pasteurising
- Tamper evident safety seal option 4 sizes available – providing absolute security via SteriFeed induction sealer
- Made form clarified Polypropylene 100% free of Bisphenol–A (BPA) Bisphenol–S (BPS), DEHP, Phthalates, can be recycled
